FOREWORD

The Li'l Vike who escorts you through these pages, the school colors Green and White, the familiar poses of faculty and students — all these symbolize this year's MADRONO theme, "School Life." The staff has endeavored to have every aspect of this annual recall for you Paly High as you remember it. May it be a source of pleasure in years to come.

SHALL WE REMEMBER

Where are we going, and how, and why?
Shall we forget these years gone by?
The long cool hallways, the footsteps of friends
That echo our way from farthest ends?
Shall we remember in wiser years
The laughter, happiness, troubles, and tears
That were ours and our friends here, long ago?
It is all within us — this we do know.
Teachers from whom we learned much more
Than ever we thought we could before,
Clubs, assemblies, crowded cars,
Committees, plays, and swimming stars,
Brunch in the halls, lunch in the sun,
A football rally, the big game won —
These things have molded us. All our ways
Will reflect the growth of our high school days.
Wherever, however we go, and why,
You are a part of us, Paly High.

DOROTHEA HARDY

whose constant spirit of cheerful, enthusiastic and loving service,
in every phase of the welfare of our schools,
will always be cherished by Palo Alto.

CLASSES

OUR PRINCIPAL

Dear Seniors:

By the time you read this little message, you will be ready to leave high school as graduates. I know that many of you have been anticipating the day when you would be freed from the routine requirements of high school life. Commencement time is a pleasant period but it also has its shadowy side. You will be breaking off acquaintances you have enjoyed for years. As you leave high school, whether to go on to college or into some form of employment, most of you will be forming new friendships, facing new problems, and the high school days will fade. We hope you will come back to the school from time to time to report your progress and tell us of your successes.

Just a word about your success would seem to be in order. Some of your teachers and even your parents have been joining efforts to make your success appear certain and easy, perhaps too easy. Neither of these has been attempting to deceive you; rather they have been trying to stimulate your best efforts. But success in any worthwhile line is not easy and not certain. One of the greatest barriers to achievement is simply that all of us would do big things and do them with enthusiasm if only we could start to work on these and not trouble with the smaller matters which somehow seem so feebly related.

Even the army discovered in the recent war that a series of small successes improved the soldiers' morale more than bigger successes more widely spaced. So I advise you to be reasonably certain of what you want to do and then seek, not big successes, but small ones. You will be surprised how these add up to re-enforce each other and generate enthusiasm for further achievement.

And finally, whatever worthwhile activity you decide to enter, the best wishes of the faculty and students of Paly Hi accompany you.

Very sincerely,
IVAN H. LINDER

SENIORS — 1948

A few notes of an old song—and you're back in 1948. You were a senior then, and you loafed and crammed for tests and worried about getting into college. You waited impatiently for Grad night—and then wondered how the juniors would carry on when you left.

You were a senior—the first weeks of school you let the sophs know it—then came football—the band—the colors, Red and Green. No, we changed them—remember the all-school feud, and Black and Blue, the Third Party?

Then there was the revival of Brunch period—and a sandwich line took over the halls. The Camp carried on—the Federalists took the spotlight with an atom bomb in the school yard, and you tried to get in the pictures for LIFE—the New Look was no longer new—blue jackets for "Da Boys"—the Jinx went off well, including the First Nighters—Drama climbed a few inches with some excellent plays—Arsenic? One lump or two?

A 'teen center got going—Four Leaf Clovers sprang up everywhere—you went to the Freedom Train, or else the beach—Career Day came and you planned brilliant futures—the Boys' Stunt Show was replaced by a Varieties—we saw a new publication, THE LIT, revived from before the war—Elections came around—a lot of talk, a little voting, and finally a few commissioners to run the elections the next year.

High School was a lot of things—blowing straws at the Penn, struggling with languages or physics or speed in typing—the days in class—dreary, light, boring, indifferent—the main hall at Brunch—the Jolly-Ups—exams—and then Senior Week—wild, youthful, and a little sad When again?

OUR COUNSELORS

To the Class of '48,

It is with mixed feelings that I write these words to you from New York City; mixed, because I am glad for each one of you that you are ready to take this hurdle out of high school into the next period of your life, and sad because I have not been with you during this your senior year. But even though the continent separates us, my very best wishes go with you! I hope each one of you will find the way of giving your best to a world that needs it so desperately.

Good luck to the "Best Class!"

Sincerely,
RUTH N. COLLINS

Dear Seniors,

I should like to express my appreciation for your helpfulness and for the fine manner in which you completed the job in spite of circumstances which necessitated a change of counselors in your most important year.

I have no desire to direct your attention to the fact that you are graduating in serious times or that history is being made. History is always being made, and we always seem to find reasons for assuming that the present is a most critical time.

May I extend my kindest personal regards with the hope that we shall have many opportunities to reminisce over our mutual experience of the past year.

Sincerely,
LAWRENCE FULLER

COMMISSIONERS

Brunch period and a revised Junior Youth Council are the commissioners' chief contributions as a group. In addition, they represented the school on the mayor's party through the Freedom Train, put on a commissioners' dance in the fall, held a picnic in the spring, encountered the judges in basketball, and attended the Burlingame Government Conference. Better assemblies, noon entertainment, a revived Sequanile, and new football uniforms were some achievements of the commishes in their various jobs.

STUDENT COURT

Guardian of student civil rights, the student court consists of five elected judges and several attorneys. The justices act as a jury in a trial and set the penalty when the defendant is found guilty.

VARSITY

The Paly football team had its most successful season in years, winning 8 out of 9 games, scoring 209 points as compared with 31 for their opponents. The individual star was Buddy Traina, who in his last year at Paly was chosen all-PAL and all-Northern California halfback. Buddy outdistanced all our opponents in total distance, gaining 597 total yards to our opponents' 414. Other excellent backfield men were Bob Morris, burly quarterback; Skip Crist, fullback and star of the Sequoia game and our best punter all through the season, even getting off a 65 yard place kick in the San Jose tilt; Jack White, consistent on the end runs; and Tom Hanson, an excellent fullback, specializing in line plunges. Also good in the backfield were Brent Williams, Howard Ray Jr., Richard Thiel, and Duffy Blabon. Best in the forward wall was Len Mayrhofer, voted all-PAL. Others to see a lot of action were Rich Long, Scott Lawson, Owen Hackett, Allyn Kreps, Bob Collins, Bob Hardin, Grant Spaeth, Rudy Feldman, Bill Cartwright, Don Stager, Ted Nehrenberg, and John Anderson.

The Vikes' first match was a game with Mountain View, which we won 31-0. Then they steam-rolled over hapless Serra 62-0. The Norsemen got their one loss at the hands of the Lincoln Lions 19-7, but recovered in time to sink Jefferson 33-0. They whipped Burlingame 26-6 and San Mateo 19-0. They were almost dumped by South City, but managed to squeak past 9-6. They also shut out San Jose 13-0. The biggest win came when the Vikes beat Sequoia 19-0, in the Stanford Stadium on Thanksgiving Day. The Vikes were most noted for their offensive strength, but they had

an impressive record for not having been scored upon on their own field or at the Stanford Stadium.

JAYVEES

This year's J. V. team, coached by Mr. Maynard Brown, was composed of Varsity reserves. Bulwarks of the team included Bill Day, Bud Misson, Richard Douglas, and Paul Meyer in the backfield and Louie Clarida, Plato Yanicks, Moe Bradford, Joe Baxter, Bill Kinder, Fred Alfred, and Tony Fisher in the line. This team played four games, with the aid of a few varsity boys. They won two and lost two. They beat the Sophs 24-6 and Sequoia 14-6, and lost to Lincoln twice by scores of 13-7 and 12-6. The boys that bear watching next year are Rich Douglas, Bill Kinder, and Louie Clarida.

SOPHOMORES

Coach Ken Palmer's Soph football team had a fair season, winning two, tying one, and losing three. The best player of the team was Johnny Bettencourt, one of the best soph backs in the PAL. The other members of the backfield were Bob Armstrong in the fullback spot, Rob Brogan and Sandy Dole at halfback, and Denny Lucas and Leroy Ahrens at quarterback. The line was sparked by John and George Pinkerton at the ends, Dick Herndon and Dave Wells at the tackles, Lincoln Fong, Bob Cannon, and Don Crothers in the guard positions, and Chuck Shaddle at center. They defeated Burlingame 19-7 and San Jose 19-6, tied San Mateo 6-6, and lost to Mountain View (a practice game) 6-0, Lincoln 19-6, and Sequoia 6-0.

WATER POLO

Coach Nort Thornton's Water Polo Team had an extremely successful season this year, winning 11 out of 13 games and tying for PAL Championship. Their only losses were to Sequoia and the Cal Frosh. They beat the Olympic Club Juniors, Burlingame, Stanford Frosh, and the San Jose State Frosh twice each, and Sequoia, Cal Frosh, and San Mateo JC once.

High scorer for the year was Richard Cullenward with 55 goals, while Bill Glathe with 24 and Dale McElroy with 17 followed. Jack Hibner was one of the best high school goalies ever seen in Northern California.

The season's most thrilling games were the two with the Cherokees of Sequoia. In the first, Paly was on the short end of a 15-13 score. The game went into overtime when Sequoia tied the score at 12-all with a highly contested shot from half-court and won in the overtime period. The Vikes revenged themselves in the second meeting, winning 9-5. They led all the way, with Rich Cullenward making five goals.

10's-20's BASKETBALL

After a one-year layoff, the Paly 110's basketball team, coached by George Moore, had one of their best seasons, winning 7 out of 11 and tying for third place in the PAL. The Li'l Vikes were sparked by Sid Chew, who scored 82 points, and Barry "Herc" Smith, who played a defensive guard and was elected captain for the Sequoia game. The Vikes were dropped by South City, San Jose, and Sequoia, in league play, and Fremont, in practice. They beat Santa Clara, Fremont, San Mateo, Burlingame, Jefferson, Lincoln, and San Jose.

The 120's ran into stiff league competition with a green squad and won only 2 out of 11. The individual standouts were Vaughn Williams, high scorer with 46, and Jack Ishikawa and Paul Bowen, the two steady forwards, who scored 38 and 33 points respectively. Captain Mitsuri Mihara marked up 33 points from his guard spot. Their only wins came against Jefferson 33-29, and Half Moon Bay 17-7.

THIRTIES

Nearly equaling last year's tie with Sequoia for the PAL championship, the Paly High Thirties completed a successful season, winding up in a tie for second.

Alan Talboy, Paly junior, was elected to a forward post on the all-PAL team. He was also named the "player of the year" and tanked a total of 102 points to become the league's leading scorer.

The thirties opened the season by winning most of their practice tilts. They won their league opener 35-24 against South City. Talboy led the scoring with 16 points. They then downed Burlingame 35-25, leading all the way. Talboy and Johnny Bettencourt led the scoring.

The following week the Vikes lost to the Lincoln Lions 24-30. Talboy with 13 points and Rob Brogan with 11 were the only ones to score for the Norsemen.

Recovering from their loss, the Vikes brushed by San Jose, winning 31-21. Talboy again led the scoring with 18 points. They next nosed out the San Mateo Bearcats 29-28, with Talboy scoring the winning point as the buzzer sounded.

A speedy Jefferson squad nearly scored an upset, but the Norse-midgets went ahead in the last four minutes of the game and won 34-28. The thirties zipped over a weak Half Moon Bay Five 36-16.

The Vikes lost their final game against Sequoia by a score of 30-43. Brogan copped high scoring honors with 13 points.

VARSITY

Coach George Hurley's Varsity completed its best season in recent years. The Vikings tied for the PAL championship with Sequoia and San Jose.

For the first few games the Norsemen were led by big Jim "Moose" Loscutoff, 6'5" center. Loscutoff played in three league games and made a total of 60 points. Brent Williams, who played outstanding ball at guard, was elected captain of the team. He was also elected to the first team of the all-PAL squad and placed in the upper ten leading scorers.

The Vikes opened their season by downing Menlo and Mt. View. The only defeats Paly suffered during the practice season were to Mission and Lowell High of San Francisco, and to San Jose Tech by one point.

Entering the league schedule, the Vikes downed South City 34-23. Phil Casaroli led the scoring with ten points. In their next game against Burlingame the Vikes rolled on.

The following week Paly invaded the Lincoln Lions and smothered them 67-40. Loscutoff's 37 points was the biggest total for one game in PAL play since Norm Keeler scored 34 points for Paly.

Paly then played host to a very speedy and powerful San Jose quintet and edged them in a hotly contested game 28-27. Loscutoff was the star of the game, limiting all-PAL center George Clark to 8 points, making 13 points himself, and controlling both backboards. Williams was also a standout.

San Mateo was next and was downed 30-25, led by Alan Thompson's two buckets in an overtime period. Bill Armstrong led the scorers with seven points and was closely followed by Phil Casaroli.

Casaroli and Williams led the team to an overtime 34-32 victory against Jefferson. Another close one was against Half Moon Bay, with the locals barely winning 29 to 25.

In a well-fought final game with the Cherokees, the Vikes lost by a score of 40-43.

TENS

The tens had only one good, consistent performer, and that was little Bill Northway, who swam in the breaststroke races. The other Vikelets included Harold Repetto, "rapid" Robert Records, and Danny Hickey.

TWENTIES

The twenties made little showing in the PAL team scores, as the whole team numbered only three members. However, all these three were good in their respective races. Glen Atwater swam the strokes and Irwin Johnson navigated the freestyle races, while Donny Rhoades was outstanding in the 100-yard freestyle and also in the 50-yard backstroke. Like the tens, the twenties were toppled by the Sequoia mites, who as usual had an abundance of little men.

THIRTIES

The thirties could boast but few good men. Dale McElroy posted excellent times in the sprints and in the century, while Lew Mitchell was also spectacular in the latter race. The Vikes' one backstroker, Taylor Hathaway, was lacking in experience. The Norse were really loaded in the breaststroke race. Top men in this event were Sandy Dole and Chuck Haywood, who traded first places back and forth all through the season. These same two Sophs, with the addition of Emmett Casey, monopolized the diving in the PAL race. The thirties also had a record breaking four-man relay team which was composed of Dale McElroy, Lew Mitchell, Bill Lawrence, and Don Litz.

VARSITY

Paly's swimming team had its usual brilliant season, but because of an early Madrono deadline, we can't say anything about the Sequoia, PAL, or NCS meets. Coach Nort Thornton came up with the best Varsity team ever seen at Paly, even outdistancing the championship squad of 1947. Nort could boast of six freestylers who could break a minute in the 100 Freestyle. These were Bill Glathe, Rich Cullenward, Bill Armstrong, Bob Armstrong, Pete Smith, and Dickson Hoogs. Four breaststrokers, Bill Glathe, George Houck, Joor Bol, and Jim Ingalls, went way under the 1:17 mark, while four backstrokers got down below 1:15. They were Fred Postal, Dave Merrick, Rich

Cullenward, and Art Lasch. The Paly divers were the best in the PAL; those included Glathe, 1947 All-American Interscholastic selection, Cullenward, Roland Nielsen and Don Casey. The Vikes also were heads and shoulders above anyone else in California in the 220. Rich Cullenward got 2:22.0 and Glathe chalked up 2:24.5 in the first dual meet, and their times went down from there. Cullenward established himself as the best distance swimmer ever to attend Paly. This is surprising, considering that Cullenward was a backstroker in his sophomore year and second in the NCS 220 as a Junior. Thanks to amazing progress and accompanying amazing times, Cullenward was established as the fastest high school 440 swimmer on the Pacific coast. His times were excellent even for collegiate competition. Cullenward also broke the Paly pool records for the 150, 200, 220, 300, 400, 440, 500, and 880 as of April.

The Paly paddlers showed that they had no intention of starting the season off poorly as they drubbed Hayward 56-10. The Thirties also took Hayward into camp 52-5.

Rich Cullenward lived up to all advance notices by doing the 220 in 2:18.3. This broke the pool, the PAL, and the NCS records, by 4, 5, and 6 seconds respectively. Bob Armstrong, Sophomore flash, placed second. Pete Smith and Bill Glathe won the 50 and 100-yard freestyle respectively. Glathe took the diving, followed by Cullenward. The Paly medley team of Dave Merrick, George Houck, and Fred Davenport, and the four-man team of Bob Armstrong, brother Bill, Pete Smith, and Dickson Hoogs, won in a walk-away. Hayward's only victory came in the backstroke where Bill Libedeth barely outswam Paly's Fred Postal. The Thirties completely controlled Hayward, taking one two in every event. Dale McElroy, Lew Mitchell, Glen Atwater, Sandy Dole, and Chuck Haywood garnered firsts for the green machine.

Hod Ray

Varsity

Starting the season without any returning lettermen, the 1948 version of Palo Alto Track teams was not supposed to be up to the usual standard set by former teams of Coach Hod Ray. Early season rains caused the postponement of many meets which prevented the Vikings from much needed competition to determine how well they would fare in PAL circles.

However, at the time the Madrono went to press, Paly had one league meet with our arch rival Sequoia. This meet served notice on all other teams that while the Varsity may not win PAL, potentially they have a well balanced team, with possible winners in several events. Sequoia was taken to camp by a score of 77-36.

Paul Bowen was the real surprise of the meet when he ran the mile in 4:51, just four seconds off the Paly track record. Paul may be the best Paly miler we have had in many years. Stan Mitchell and Owen Hackett demonstrated that they will be able to take care of 120 high hurdles by placing one-two in that event. Stan Pence and Gordon Hespelt will give a fair representation in sprints and expect to place first and second in most of the meets. Wendell Gerken and Claude Minard will represent Paly in the 880 while Dave Cochran, Hugh DeWitt,

and Bruce Robison will assist Bowen in the mile run. Richard Thiel placed first in the 180 yard low hurdles in the Sequoia meet with Mitchell placing a close second, in the good time of 21.9. On the basis of this performance Thiel should place well up in PAL meets. In the 440 the Vikings will have two good performers in Malcolm Clark and Bob Shipkey, both boys capable of doing around 52 seconds. They will do well in league meets. The relay team of Pence, Crist, Ray and Hespelt have turned in a 1:38 for 880 and by the time of the PAL should be doing around 1:35.

In field events Paly is stronger than most PAL teams, garnering most of their points in these events. Len Mayrhofer, Rudy Feldman, and John Anderson comprise the shot putters who are putting the shot well over 44 feet. This trio may place well up in all meets. They also handle the discus. Danny Allen in the pole vault placed third in the 1947 PAL Meet and bids fair to land in top position this year. Among a host of broad jumpers, Hod Ray Jr., Alan Vollert, and Ray Van Meter seem to be able to carry the colors for Paly High to many wins in this event. The high jump is well taken care of by Alan Vollert and Harry Fowler, who have both cleared 5 ft. 4 in. At this writing the Paly track team, while not a championship team, will give all other teams a contest.

THIRTIES

The Viking Thirties had a fair season this year. Standouts for the thirties were Bob Whitford in the 1320, Bill Luce in the 660, Rich Douglas and Lee Willman in the sprints, Ronald Norman, John Johnson and Rex Brush in the field events.

Whitford turned out to be a very good distance runner, winning many of his starts. In the 660, Bill Luce took quite a few firsts and seconds. Don Dunworth ran the 660 along with Luce and did very well. In the 330, Don Lorton and Dick Stark wore the Green and White. Quite a few of Paly's points were made by Richard Douglas in the sprints. Rich gave all the sprinters in his division a bad time. Lee Willman also ran in the sprints along with Lincoln Fong. The Viking relay squad, composed of Fong, Luce, Douglas, and Lorton,

managed to hold its own against most comers. In the field events Stan Davis pole-vaulted, and sometimes Danny Allen came down from the Varsity to give the Vikes a monopoly on the event. Shot putters were Ronald Norman and John Johnson. These two men did quite well, both of them placing in the PAL finals. Rex Brush was Paly's lone entry in the high jump, Rex, Lincoln Fong, and Lee Willman were the broad jumpers. In the hurdles it was Howard Whistler and Rich Manchester.

The Palo Alto Twenties track team was, as usual, undermanned. Chief performers for the Li'l Vikes were Ole Holsti, George English, Don Crothers, Barry Smith, Bernie Leung, Tom Rowe, and Robert Bailey. Crothers and Smith ran in the sprints; Holsti and English, the 330; Holsti ran the hurdles and shot put along with Crothers. Bernie Leung and Barry Smith were the high and broad jumpers.

TENNIS

The tennis team, coached by Paul Engelcke, had a better than average year. Led by captain Lawrence Brown and Sherry Sweigert, the team won four out of five practice matches and appeared to be a strong contender in PAL competition. Backing up Brown and Sweigert in the singles department was Herb Ormsby, while the doubles team of Don Stager and Eldon Farley were consistent winners. Peter Barney, Don Keesing, Dick Redden, Richard Cram, and Ted Giese fought for second doubles positions.

GOLF

The first chance the Paly golfers had to show their ability was on an individual basis in the Northern California Junior Tournament at the Merced course in San Francisco. Best performer in the tournament for Paly was Dick McElyea, who advanced to the semi-finals. Grant Spaeth, "Bold" Blabon, and Pete DeBall also placed. Other golfers were Ben Winkleman and Roger May. Coached by Ralph McElyea, local sportsman, they came close to copping the PAL. Their first league encounter was a victory over Burlingame.

BASEBALL

VARSITY BASEBALL

The varsity baseball squad welcomed its new coach, Ken Palmer, with many veterans of two and three years of varsity experience, and some outstanding players from last year's sophomore squad. Traditionally the school's worst sport, it showed a lot of promise. Best hitters through the season were Buddy Traina and Bob Morris. They were both key men in the infield as well. Along with them there were Alan Winterbotham and Manuel Luzano at first, Norm Lacey at shortstop, and Brent Williams at third. The outfield was continually changed, with Neil Gully, Don Davis, Bob Collins, Bill Cartwright, Al Talboy, and Pete DeBall getting the call. The main pitching was well handled by Duffy Blabon and Gordy Owens, with Gully, Jack Meltzer, Talboy, Ed Curtis, and Ian "Chief" Hendrickson to back them up. Other members of the team were Bill Kinder, Sam Iki, Elden Thomayer, Bob Hardin, Gilbert Mesa, and Roger May.

The first practice tilt was against San Mateo, with San Mateo winning by a score of 8-3. Paly's only hits were by Collins and Morris. Next opponent on the schedule was Campbell, with the score ending 10-1. Davis, Williams, Traina, Morris, and Collins got hits. Highlights of the game were Bob Collins' home run with the bases loaded and Bob Morris's triple. Gordy Owens pitched a five-hit game. San Jose Tech gave slight opposition as Paly trounced them 11-0. Blabon and Meltzer turned them back with only two hits. Brent Williams led the winners with a homer and a single. Continuing their winning ways, the Vikes turned back Fremont High 8-2, on only five hits. The hits were by Traina, Cartwright, Morris and Lacey. The last practice tilt before the regular season was against San Jose Tech again. This time the score was close all the way. The game was called at the end of the seventh inning 6-all. Paly managed to get 10 hits.

NOON LEAGUE

Well, another year of intramural sports has been laid to rest. The majority of the cuts and bruises have healed; and once again a feeling of friendliness has ripened, only to be squashed again next year.

This has been a good year in noon sports; first, in football, Mayfield Tech, led by Gilbert Mesa and "Moose" Loscutoff, smashed to a brilliant victory over the Hot Patooties; then the Basketeers played extraordinary basketball against the much overrated Atomic Five, and up till the time of this writing the Wabs and the Wheels were fighting it out for the first place, each having won eight and lost only one in the volleyball league.

Mayfield Tech lost the first half of the football league but came back strong in the second, smashing to one victory after another. They did not lose a game during the second half.

Led offensively by Sherry Sweigert, Lawrence Brown, and Don Stager, the Basketeers literally ran circles round the opposition, with the exception of the Atomic Five. Led by Ben Winkleman, highest scorer in the league, and Dick Peterson, runner-up, the Atomic Five went through the season undefeated. They then lost two of three games in the playoffs to the Basketeers.

With the volleyball league still having two weeks to go, it's anybody's battle. Alan Talboy, Keith Kimball, and Roberta Jackson have been leading the Wabs, while Lennie Mayrhofer, Buddy Traina, and Babbette Snitjer are starring for the Wheels.

The softball league started on April 27. Quite a few teams were expected to turn out.

With such a pre-season record, the Norse players should give a good account of themselves during the season.

SOPHOMORES

The Paly sophomore baseball team opened the 1948 season as probably the most experienced ball club the old alma mater has ever had. Last year for the first time Jordan Jr. High School had a hard ball diamond and team, and though the field wasn't much and the season short, the all-important experience was there.

In the summer most of the Jordan boys stuck together on the Rotary nine in the Twin-Cities League. They didn't win too many games, but they gained some excellent seasoning in a league of older boys.

At the beginning of the season the sophs won a couple of practice tilts against Mountain View. With Jim Cornish as No. 1 man, the pitching staff looked pretty good, and the infield of Alan Thomson, John Bettencourt, Bob Brogan, and Otto Schleich also looked good. Newcomer James Tenney sparkled in left field.

In the league opener against San Mateo, however, only Alfred Shumate and Jim Cornish looked good. Paly lost 5-2.
